Chapter 1 by Andrew Hartmann

Ummm, hi! My name's Calvin, but everyone calls me Cal.

Look, I'm not going to lie to you, Earth is in big trouble. I'd like to say everything is fine and dandy, but its not. The truth is, the world has been visited by outsiders, the Martians. At first they were friendly, but then we found out they were out to eat us. I'm telling you all this because you are one of the few survivors on Earth, and we need your help.
